I certify that I have made a careful search of the death records
on file in the office of the Board of Health of Vigo Co., Ind., cov-
ing the period from 1885 to 1896, and that they fail to show anything
concerning the death of Sarah Myers Clark. The records are very in-
complete and I was unable to find the record in the case of any per-
son who died in said county during the period from Jan. 1 to May 1,
1890. Terre Haute, Ind. Feb. 9, 1921.
